Invite your family and friends to the Walk for Warmth! Create a team and see how much you can raise for the Mifflin-Juniata Energy Bank. Below are costs associated with heating and renting a home. Please keep in mind that each cost is estimated to support one family.

What is your goal and how many families will you help?

\$125 = Cost to heat a home for 1 week

\$500 = Cost to heat a home for 1 month

\$550 = Rent for 1 month

I agree to sponsor the named participant in the Mifflin-Juniata Energy Bank/MCS Bank's Walk for Warmth.

Please make checks payable to the United Way of Mifflin-Juniata

WHAT: 9th Annual Walk for Warmth. Walk-a-thon to raise money for the Mifflin-Juniata Energy Bank.

WHEN: Saturday, February 2, 2019
Registration at 9:30 A.M.
Opening Ceremony at 10:00 A.M.

WHERE: Kish Park in Lewistown, PA.

WHO: You, your friends, family, neighbors and co-workers. Minors can participate if accompanied by an adult. Release forms for children will be signed during registration.

WHY: Often, folks in poverty are forced to make decisions about paying rent on time or paying heating costs. Donations this year will allow Energy Bank recipients to access funds to assist with either of these issues.

WHO IS HELPED BY THE WALK FOR WARMTH?

- Recipients of the Walk for Warmth funds are those who are ineligible for Low Income Home Energy Assistance Program (LIHEAP) benefits but have insufficient income to meet home heating needs or are 60 years and older and struggle to meet the rising costs of living on a fixed income.
- Donations this year will allow Energy Bank recipients to access funds to assist with paying rent on time or paying heating costs.
- Those who come to the Energy Bank are under employed, live on a fixed income, or have recently experienced a life changing event such as illness, loss of a loved one, or divorce/separation.
- To access the Mifflin-Juniata Energy Bank call 717.437.3190
- The Mifflin-Juniata Energy Bank focuses efforts on improving delivery systems for citizens in distress, eliminating the need to make multiple phone calls to different resources, and preventing duplication of access to services.
